H2X Introduction

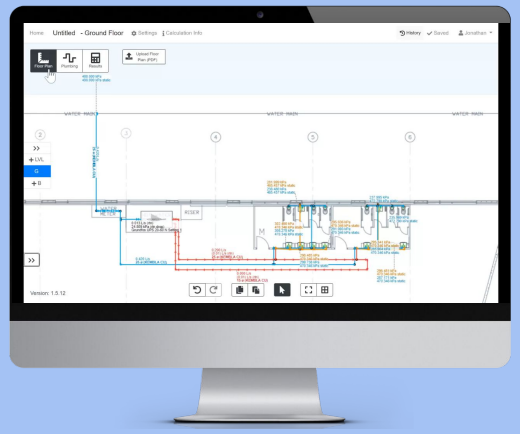
Water, gas, and sanitary plumbing design software.

From a PDF sketch, H2X:

- Calculates all of your results
- Costs the system
- Exports a Revit model

Workflow

1. Draw



2. Calculate

✓ Automated

3. Draft

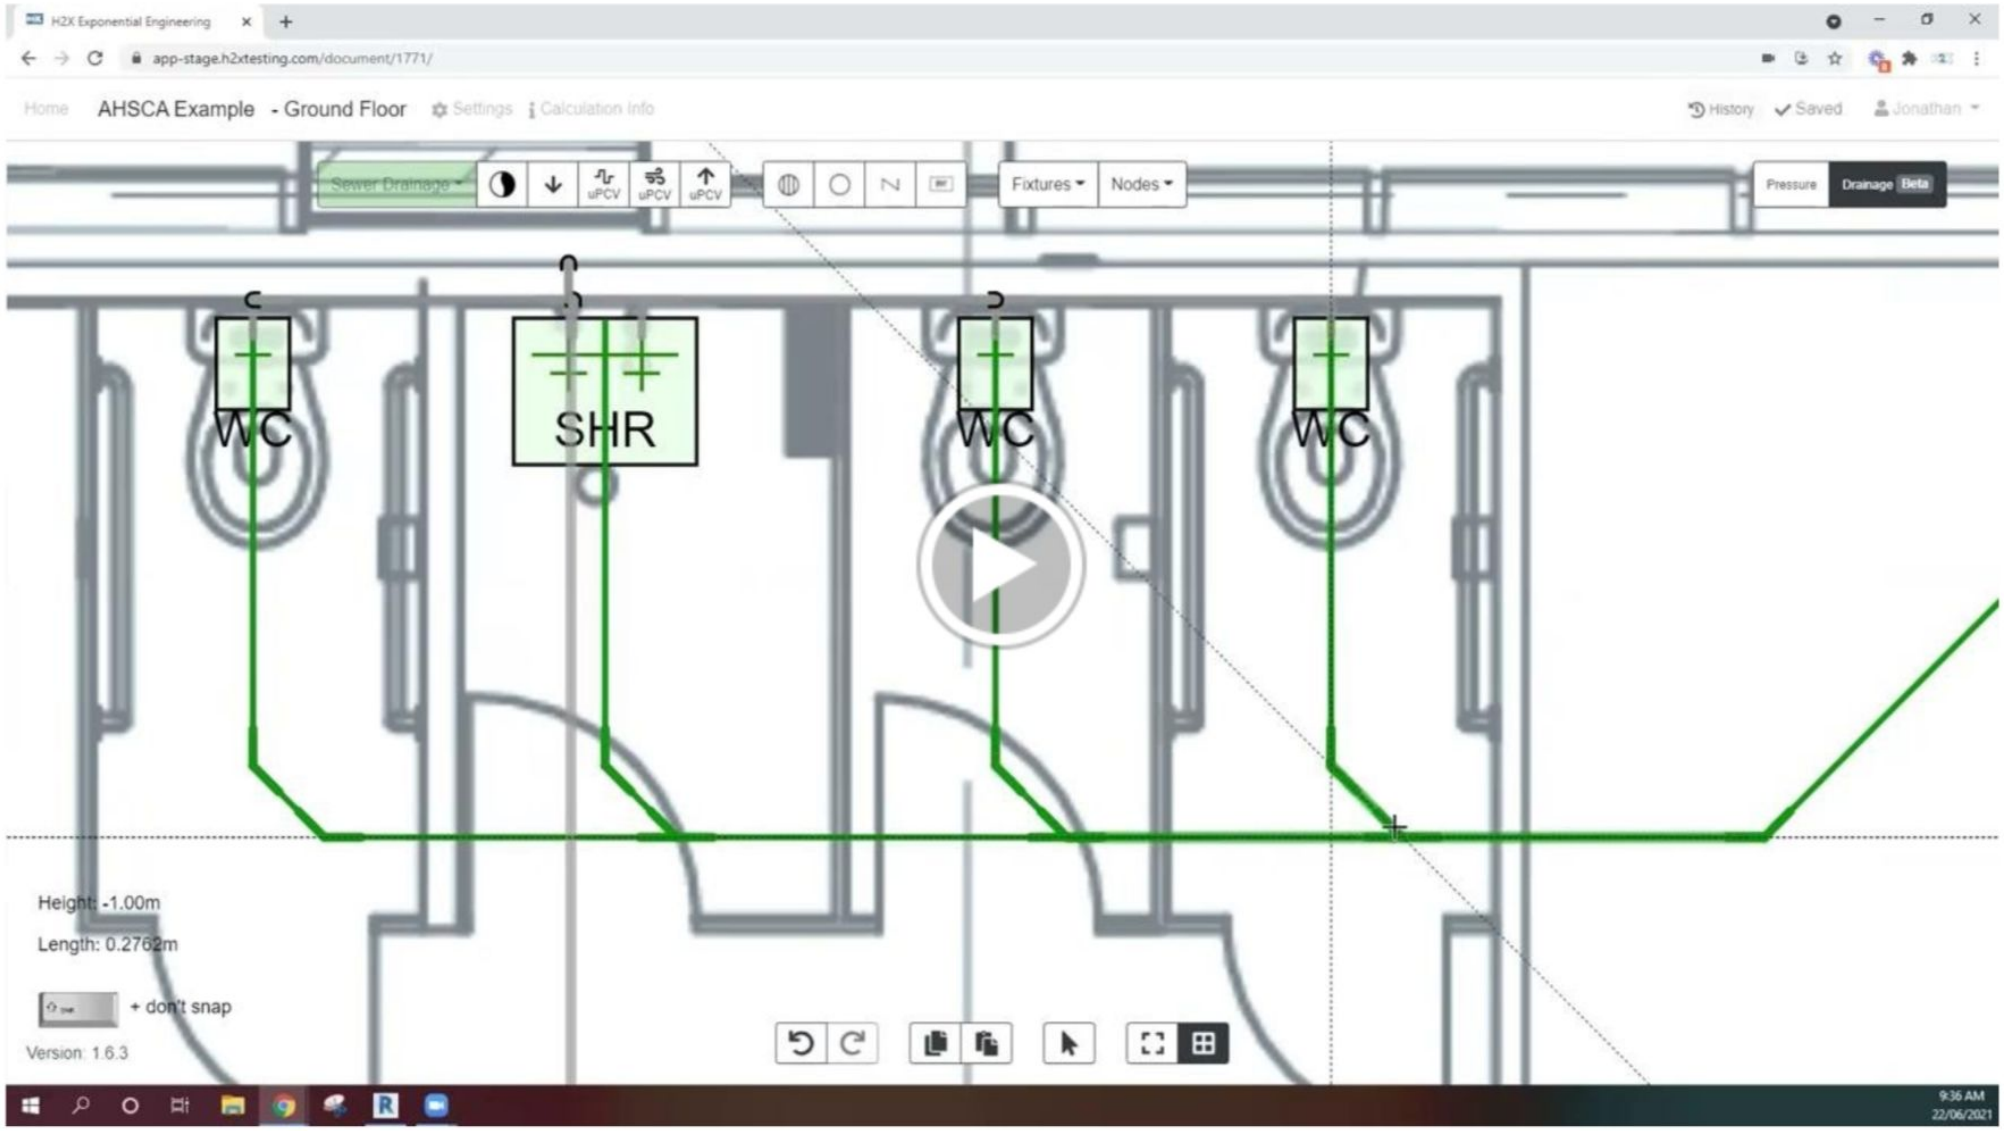
✓ Automated

Benefits

> 10x Faster

Higher Quality

How it works



*For commentary, please book in a demonstration with the H2X team where we will design the project in full from scratch

Who do we work with?

Testimonials

Love this software.
It is simple, easy to use, and saves us hours with designing.

Nick Soden
Director
