EDUCATION UPDATE

- CIBSE - Drainage Articulation course
- Cert IV is still available online through TAFE QLD
- Next student intake for NSW TAFE is early 2027 so members who are interested should get their Cert IV pre-requisite sorted
- FireFox Training offer wet fire RPL for anyone who wants to formalise their credentials
- We are having ongoing discussions with HCAA, Buildskills, TAFE and DESBT to try and increase course accessibility for students
